CRediT authorship contribution statement

Guy Sion: Conceptualization; Writing - original draft; Writing - review and editing; Final Approval of Submitted Version.

Omer Moussaffi: Formal Analysis (mathematical model development and simulation runs); Writing - original draft; Writing - review and editing; Final Approval of Submitted Version.

Declaration of competing interests

None.

Acknowledgements

This study has grown out of years of teaching gifted children, and of our own experiences as gifted children in school and in special day centers. We wish to express our gratitude to the late Mary Jane, the late Robert H. Asher, and the late Raphi Amram, as well as to the Israel Arts and Science Academy (IASA). Thanks to them, we met.
